On which the earth raise the sky  
On which every thing in life

Where are the dreams that we once had?  
This is the time to bring them back  
What were the promises  
Caught on the tips of our tongues?

Do we forget or forgive?  
There's a whole other life  
Waiting to live when  
One day we're brave enough  
To talk with conviction of the heart

And down your streets I've walked alone  
As if my feet were not my own  
Such is the path I chose  
Doors I have opened and closed

I'm tired of living this life  
Fooling myself, believing we're right when  
I've never given love  
With any conviction of the heart

One with the earth, with the sky  
One with everything in life  
I believe we'll survive  
If we only try

How long must we all wait to change?  
This world bound in chains that we live in  
To know what it is to forgive  
And be forg-i-i-iven

Too many years of taking now  
Isn't it time to stop somehow?  
Air that's too angry to breathe  
Water our children can't drink

You've heard it hundreds of times  
Say you're aware, believe and you care  
But do you care enough?

Where's your conviction of the heart?

Ohh  
One with the earth, with the sky  
One with everything in life  
I believe it will start  
With conviction of the heart

With the earth, with the sky  
One with everything in life  
I believe it will start  
With conviction of the heart

One earth, one sky  
Only one world

Only one chance, for one life  
When will we live?  
(With conviction of the heart)

One child, one dream, the only one life  
(One with the earth, with the sky)  
You got one chance for one life  
(I believe it will start)  
When will we live?  
(With conviction of the heart)  
Only one earth, only one sky  
(One with the earth, with the sky)  
Only one world  
(One with everything in life)  
We've only got one chance to live in one life  
I believe  
(I believe)  
It's all we got to start when we begin with some  
conviction of the heart  
(It will start with conviction of the heart)
