People smile and tell me, I'm the lucky one
And we've just begun, think I'm gonna have a son
He will be like she and me as free as a dove
Conceived in love, sun is gonna shine above

And even though we ain't got money
I'm so in love with you honey
And everything will bring a chain of love
And in the mornin' when I rise
You bring a tear of joy to my eyes
And tell me everything's gonna be all right

Seems as though a month ago, I was
[Incomprehensible]
Never got high, oh was a sorry guy
Now I smile, face a girl that shares my name, yeah
Now I'm through with the game, this boy'll never be the
same

And even though we ain't got money
I'm so in love with you honey
And everything will bring a chain of love
And in the mornin' when I rise
You bring a tear of joy to my eyes
And tell me everything's gonna be all right

Pisces, Virgo rising, is a very good sign
Strong and kind and the little boy is mine
Now I see a family where there once was none
Now we've just begun, yeah we're gonna fly to the sun

And even though we ain't got money
I'm so in love with you honey
And everything will bring a chain of love
And in the mornin' when I rise
You bring a tear of joy to my eyes
And tell me everything's gonna be all right

Love the girl who holds the world in a paper cup
Drink it up, love her and she'll bring you luck
And if you find she helps your mind, you better take
her home

Yeah, don't you live alone, try to earn what lover's own

And even though we ain't got money
I'm so in love with you honey
And everything will bring a chain of love
And in the mornin' when I rise
You bring a tear of joy to my eyes
And tell me everything's gonna be all right
