Slow talkin
The line youre walkin
Look like a viper wearin silkin stockins

You make em guess
Theyd be getting the best
Cant help but wonder if youd pass
The test

Kissin my fingers
You touch my face
N play your hand like youre holdin
the ace

But Baby when it comes around
Are you gonna pick it up or lay it down
You make it harder and harder
To stop what youve started
Down n dirty

Oh my little Rosalee
Dont you think its goin on time
We see
If youre gonna come with me
I bet you
I get you

Ive had enough of this comin on stuff
I feel like getting down on somthin tough
I do believe youre what youre tryin to be
Now show me, honey
Cause Im dying to see

Take it, Baby
Make your play
Well make love in different ways

Well I call your bluff and stand
Pretty mama, hold me in your hand
And make it harder and harder
To stop what youve started

Down n dirty
