Enter my dream, baby,  
Enter my dream.

Jung river won't you stop for me awhile,  
Hold me like a sleepy child,  
And take me where I'm bound to be.

I'm walkin' on the wings of make-believe,  
I'm livin' out the fantasy,  
That I know well,  
I've been visitin' there all my life.

'Cause you see,  
Happiness finds me sleepin',  
There I know I go beyond reality.  
It'll be effortless and easy,  
Somebody take me there.

I'm livin' in a dream, baby,  
Livin' in a dream.

I'll play for you,  
You'll play a tune for me.  
A masterpiece of harmony,  
That everybody here can do.

A hundred writers pass the words along,  
And suddenly we've made a song.

That sounds sweet and clear,  
Something every dreamer can hear.

And we sing,  
Happiness finds me sleepin',  
There I know I go beyond reality.  
It'll be effortless and easy,  
Somebody take me there.

I'm livin' in a ...  
(Instrumental)  
Enter my dream.

You're waitin' for the wind to start to rise,

Well take a look, and close your eyes,  
Away to a place every dreamer can share.

And that's where,  
Happiness finds us sleepin',  
There I know I go beyond reality.  
It'll be effortless and easy,  
Somebody take me there.  
Somebody take me where,  
We'll be livin' in a dream, baby,  
Enter my dream.
