Now, while we're here alone and all is said and done  
Now I can let you know because of all you've shown  
I'm grown enough to tell ya  
You'll always be inside of me.

How many roads have gone by  
So many words left unspoken  
I needed to be be your side  
If only to hold you.

Forever in my heart  
Forever we will be  
Even when I'm gone  
You'll be here in me  
Forever

Once, I dreamed that you were gone  
I cried, I tried to find ya  
I begged the dream would fade away and awaken me  
The night took a hold of my heart  
And left me with no one to follow  
The love that I grasped in the dark,  
I'll always remember

Forever in my heart  
Forever we will be  
Even when I'm gone  
You'll be here in me  
Forever

Forever in my heart  
Forever here you'll be  
Even when I'm gone  
You'll be near to me

Forever in my life  
Always thought I'd be  
I'd be yours

Forever
