Before you were born
I saw you in the sunrise
In the arms of my lover
In the music of the islands

And you are made of paradise
Of ginger and pikake
Wild mango and moonlight
And dreams of our sweet ohana (family)

(Chorus)
He lei poina ole ke keiki
Aloha no, Hana Aluna

Chorus Translation
A lei never forgotten is the beloved child
Our Love to you, Hana Aluna

Tonight I rock you in my arms
And sing of our tomorrows
A song to call your own
A vision of mohala (opening as a flower)

And this is my prayer
My Hana Aluna Lullabye
Wherver life leads you
Within you goes my Aloha (love and blessings)
