Have yourself a merry little Christmas
Let your heart be light
From now on, our troubles will be out of sight

Have yourself a merry little Christmas
Make the Yuletide gay
From now on, your troubles will be miles away

Here we are as in olden days
Happy golden days of yore
And faithful friends who are dear to us
Gather near to us once more

Through the years we all will be together, if the fates
allow
Hang a shining star upon the highest bough
And have yourself a merry little Christmas now

And here we are as in olden days
Mystic olden days of yore
And faithful friends who are dear to us
Gather near to us once more

And through the years we always will be together, if the
fates allow
So hang a shining star upon the highest bough
And have yourself a merry little Christmas now
