Christopher Robbin and i walked along
under branches lit up by the moon
posing our questions to owl and Eeyore
as our days disappear all to soon
but I've wandered much further today than i should
and i can't seem to find my way back to the wood
so help me if you can I've gotta get
back the the house at pooh corner by one
you'd be surprised there's so much to be done
count all the bee's in the hive
chase all the clouds from the sky
back to the days of Christopher Robbin and pooh
Winnie the pooh doesn't know what to do
got a honey jar stuck on his nose
he came to me asking help and advice
from here no one knows where he goes
so i sent him to ask of the owl if he's here
how to loosen a jar from the nose of a bear
help me if you can i gotta get
back to the house at pooh corner by one
you'd be surprised there's so much to be done
count all the bee's in the hive
chase all the clouds from the sky
back to the days of Christopher Robbin and pooh
it's hard to explain how a few precious things
seem to follow throughout all of our lives
after all's said and done i was watching my son
sleeping there with my bear by his side
so i tucked him in, kissed him, and as i was goin'
i swear that ol' bear whispered "boy, welcome home"
believe me if you can i finally come
back to the house at pooh corner by one
and whaddya know there's so much to be done
count all the bee's in the hive
chase all the clouds from the sky
back to the days of Christopher Robbin
back to the ways of Christopher Robbin
back to the days of pooh
