"Leap Of Faith"

He opened the door and walked away
Sometimes a selfless step is all it takes
From the mountain, he could watch it all burn
Welcome friend, to the point of no return

Once in a life, you can find a time to see
And you get to turn it down
Turn around, temporary sanity
And then the mountain disappears without a trace
All it took, was a sudden leap of faith

(Homeward, let your spirit rise)
Darling, I'm waiting for you
(Homeward, one step at a time)
(Homeward, watch it like a child)
When will I reach the ocean
I'm filled with mixed emotion
(I'll wait for you, I'll wait for you)
I'm waiting for you baby
(I'll wait for you, I'll wait for you)

How and why?
And the bough broke back to sea
He was overcome, by how it happened all so easily
And as he stood there, with the moonlight on his face
He was stunned by a sudden leap of faith

Darling, I'm waiting for you
(Homeward, one step at a time)
(Homeward, watch it like a child)
When will I reach the ocean
Moving in slow motion now
(You know it's the truth)
(You've done all a man can do)

Homeward, let your spirit rise
Homeward, one step at a time
Homeward, watch it like a child
(Watch it like a child)

Homeward, let your spirit rise
Homeward, one step at a time

Homeward, watch it like a child
(Homeward)
(Watch it, watch it, watch it, watch it)
Homeward, homeward
