Look at us
And the love that we make
Oh, darling I wouldn't change a single day
Still in love
But I can't help dream about yesterday
Oh, yesterday

Chorus
I miss Sunday morning free and easy
Lazy days and endless evenings
I really thought somehow
That I'd be over it by now
And I miss lying in your arms til morning
With nothing on our minds but making love
Baby, most of all
I Miss Us!

Like a child
I know it's selfish to say
but sometimes I want you all to myself
For a while
Couldn't we go back and play in yesterday
Oh yesterday

Chorus
Walking along the beach alone together
Sunsets that would last forever
Nowhere else to be
Side by side just you and me
And I miss lying in your arms till morning
With nothing on our minds but making love
'Cause baby most of all
I Miss Us!

All we've given up
Has all come back as love
I know that's what family's all about
Still I miss

Chorus
Sunday morning free and easy
Lazy days and endless evenings

I know we'll survive
But it's eating me alive
And I miss lying in your arms till morning
With nothing on our minds but making love
I can't hold it back another minute
I'm embarrassed to admit it
But I still want to be your everything
I know all that life has given us
Is way more than enough
But darlin I can't help myself
I just love you too much
Baby, most of all
I miss Us!
