Hold your breath
Make a wish
Count to three

Come with me, and you'll be
In a world of pure imagination
Take a look and you'll see
Into your imagination

We'll begin, with a spin
Traveling in a world of my creation
What you'll see will defy explanation

Somewhere out there,
Beneath the pale moon light,
Someone's thinking of me,
And loving me tonight.

Somewhere out there,
Someone's saying a prayer,
That we'll find one another,
In that great somewhere out there.

And even though I know how very far apart we are,
It helps to think we might be wishing on the same bright
star,
And when the night wind starts to sing a lonesome
lullaby,
It helps to think we're sleeping underneath the same
big sky.

Somewhere out there,
If love can see us through,
Then, we'll be together,
Somewhere out there,
Out where dreams come true.

I know a place where dreams are born
And time is never planned
It's not on any chart
You must find it with your heart

To come home to Never Land

It might be miles beyond the moon
Or right here where you stand
Just keep an open mind
And then suddenly you'll find
Never Never Land

The treasure when you stay there
Is precious more than gold
Once you've found your way there
You can never grow old

And that's my home where dreams are born
And time is never planned
Just think of lovely things
And your heart will fly on wings forever
To Never Never Land

If you wanna view paradise
Simply look around and view it
Anything you want to, do it
Want to change the world?
There's nothing to it

Come with me, and you'll be
In a world of pure imagination
Take a look and you'll see
Into your imagination

We'll begin, with a spin
Traveling in a world of my creation
What you'll see will defy explanation

If you wanna view paradise
Simply look around and view it
Anything you want to, do it
You Wanna change the world?
There's nothing to it

There is no life I know
To compare with pure imagination
Living there, you'll be free
If you truly wish to be

Somewhere out there,
If love can see us through,
Then, we'll be together,
Somewhere out there,
Out where dreams come true.
