

Kenny Loggins "Pure Imagination"

Visit "[Pure Imagination](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Come with me, and you'll be
In a world of pure imagination
Take a look and you'll see
Into your imagination

We'll begin, with a spin
Traveling in a world of my creation
What we'll see will defy explanation

And if you want to view paradise
Simply look around and view it
Anything you want to, do it
Want to change the world?
There's nothing to it

There is no life I know
To compare with pure imagination
Living there, you'll be free
If you truly wish to be

And if you want to view paradise
Simply look around and view it
Anything you want to, do it
Want to change the world?
There's nothing to it

There is no life I know
To compare with pure imagination
Living there, you'll be free
If you truly wish to be
