

Kenny Loggins "Somebody Knows"

Visit "[Somebody Knows](#)" on MotoLyrics.com

Out of my head and delighted, somebody knows how I
feel

If you ask me to play it, you won't have to say it twice
'Cause I'm goin' to the head of the line, I'm takin' my
life away

I'm so glad you made it, and now that you're ready

I'll begin to tell you what you want, but I know

(I feel, I feel) somebody knows, (I feel, I feel)

somebody knows

(I feel, I feel) somebody knows, (I feel, I feel)

Somebody knows what you want and what you're tryin'
to do

'Cause the same thing can happen to you

A little smoke, a little drink, can make somebody start
to think

That he knows

(I feel, I feel) somebody knows (I feel, I feel)

Somebody knows what you want, when you want it

(Somebody knows) when you're doin' it right

Somebody sees with their feelings, and feels what
they're being tonight

And we're doin' it together, I know

(I feel, I feel) somebody knows, (I feel, I feel)

somebody knows

(I feel, I feel) somebody knows, (I feel, I feel) God I

know

(I feel, I feel) somebody knows, (I feel) I feel somebody
knows

(I feel, I feel) somebody knows, (I feel, I feel)

Got what you want on the run now, keep it on in sight

Make me crazy, and you won't need me to tell you that
you're doin' it right

'Cause I know

(I feel, I feel) somebody knows, (I feel) I feel somebody
knows

(I feel, I feel) somebody knows (I feel, I feel)
