I got a letter from my love
It said exactly what I'm thinking of
No words can say
Well, darling I'll find away

You see your diamond ring
Here to say that doesn't mean a thing
Without your love
If that's all we really got then take it off, tear it off

Swear your love, say you don't need no diamond, baby
If some piece of papers keepin' us together I ain't
buyin' it, baby
Swear your love, all your really got after it's said and
done
Is what you tell each other when it's one on one
Darlin', won't you swear your love?

I know a lady in Spokane
She thought that happiness would find her when
She caught a man
Security second-hand

She got her diamond ring
It's sad to say that was the only thing
I guess she forgot
You gotta believe enough to swear your love

Swear your love, say you're with me forever, baby
No legal paper pressure from your friends will ever
keep us together
Swear your love, that's the only way to hold on babe
Promise me you'll be my only lady
Darling, won't you swear your love?

This ain't no ticket out
Is that what you think our love is about?
Think twice before you call
Girl, get it straight or don't get it at all

Swear your love, say you're with me forever, baby
Some piece of papers keepin' us together I ain't buyin'

it, baby
Swear your love, say you don't need no diamond, baby
Legal paper pressure from your friends
[Incomprehensible]

Swear your love
Swear your love
Swear your love
