(with daughter Bella)

Dreams are nothing more than wishes
And a wish's just a dream, wish to come true

If only I could have a puppy, I'd call myself so very
lucky
Just to have some company to share a cup of tea with
me

I'd take my puppy everywhere, la, la, la, la I wouldn't
care
Then we'll stay away from crowds with signs that say
no dogs allowed
Oh we, I know he'd never bite me, we, I know he'd
never bite me

If only I could have a friend who sticks with me until the
end
And walk along beside the sea to share a bit of moon
with me

I'd take my friend most everywhere, la, la, la, la I
wouldn't care
And we'll stay away from crowds with signs that say no
friends allowed
Oh we, we'd be so happy to be, we, we'd be so happy to
be together

But dreams are nothing more than wishes
And a wish's just a dream, you wish to come true

Dreams are nothing more than wishes
(Your wish will come true)
And a wish's just a dream
(Your wish will come true)
Your wish to come true
(Your wish will come true)

Your wish will come true
Your wish will come true

Your wish will come true

Dreams are nothing more than wishes

(Your wish will come true)

And a wish's just a dream

(Your wish will come true)

Your wish to come true

(Your wish will come true)
