I can still hear you say  
"Give up on yourself  
You give up on me"  
Oh, mother of my children  
Anchor of my soul  
With all that I've been given  
I should thank the Lord  
And if life is just a tale to tell  
I don't want a tragedy  
I want a love story  
All I've ever known  
Been my beacon home  
It's the water of my soul  
All I've ever known  
It's my blood, my bone  
It's the water of my soul

This is how my song goes  
This is how my song goes  
Anywhere the wind blows  
This is how my song goes

I tried to see myself  
Through the mirror of the world  
But the image returned  
Distorted and cracked  
The more that I travel  
The more it comes back  
To you and me  
And all the simple things  
It's the song we sing

This is how my song goes  
This is how my song goes  
No matter wherever the wind blows  
This is how my song goes

This is how my song goes  
This is how my song goes  
Where there used to be walls I got windows  
This is how my song goes
