There have been times in my life  
I've been wondering why  
Still somehow I believed  
we'd always survive

Now I'm not so sure  
You're waiting to hear  
one good reason to try  
But what more can I say  
what's left to provide?

(You think that maybe it's over)  
(Only if you want it to be)  
Are you gonna wait for  
your sign, your miracle?  
Stand up and fight

(This is it)  
Make no mistake where you are  
(This is it)  
Your back's to the corner  
(This is it)  
Don't be a fool anymore  
(This is it)  
The waiting is over

No room to run  
no way to hide  
no time for wondering why  
It's here  
the moment is now  
about to decide

Let him believe  
or leave him behind  
But keep me near in your heart  
And know, whatever you do  
I'm here by your side

(You said that maybe it's over)  
(Not if you don't want it to be)

For once in your life  
here's your miracle  
Stand up and fight

(This is it)  
Make no mistake where you are  
(This is it)  
You're going no further  
(This is it)  
Until it's over and done

(No one can tell you what you know)  
Woh oh oh oh  
(Who makes the choice of how it goes?)  
It's not up to me this time  
(You know)  
There comes a day in every life

(This is it)  
Make no mistake where you are  
(This is it)  
You're going no further  
(This is it)  
Until it's over and done  
(This is it)  
One way or another  
(This is it)  
No one can tell what the future holds  
(This is it)  
Your back's to the corner

(This is it)  
You make the choice of how it goes  
(This is it)  
The waiting is over  
(This is it)  
No one can tell what the future holds  
(This is it)  
You're going no further
