Sweeping low over an ocean deep
Rousing up a mighty monster from his sleep
We're walking in the air
We're dancing in the midnight sky

We're walking in the air
We're floating in a moonlit sky
The people far below
Are sleeping as we fly
I'm holding very tight
I'm riding on the midnight blue
I'm finding I can fly so high above with you....

Free as we can be
Above the sleeping world
As far as I can see
(all is a dream)

All across the world
The villages go by like dreams
The rivers and the hills
The forests and the streams

Children gaze
Open mouthed
Taken by surprise
Nobody
Down below
Believes
Their eyes

We're surfing in the air
We're swimming in a frozen sky
We're drifting over ice
And mountains floating by

Free as we can be
Above the sleeping world
As far as I can see
All is a dream

We're walking in the air

(walking in the air)
We're dancing in the midnight sky
(dancing in the sky)
And everyone who sees us
Greet us as we fly
We're walking in the air...
Walkin in the air...
We're walking in the air
Walkin in the air
We're walking in the air
We're walking in the air
