Duet with Stevie nicks

Whenever I call you "friend"
I begin to think I understand
Anywhere we are
you and I have always been
ever and ever

I see myself within your eyes
and that's all I
need to show me why
Everything I do always
takes me home to you
(ever and ever)

And now I know my life has
given me more than memories
day by day, we can see
In every moment there's
a reason to carry on

(chorus)
Sweet love's showin' us
a heavenly light
Never seen such a beautiful sight
See love glowin'
on us every night
I know forever we'll
be doin' it right

Whenever I call you "friend"

I believe I've come to understand
Everywhere we are
you and I were meant to be
forever and ever

I think about the times to come
knowin' I will be the lucky one
And ever our love will last
I always want to call you "friend"

(chorus)

(instrumental)

And now I know my life has
given me more than memories
Day by day, we can see
in every moment there's
a reason to carry on

(chorus 2x)

doin' it, doin' it, doin' it
Sweet love, sweet love, yeah
You're the glowin' light in
my life, source of pride in my life
Everything I do takes me back to you
whenever I call you friend
