If you've been thinking you're all that you've got  
Then don't feel alone anymore  
When we're together, then you've got a lot  
'Cause I am the river and you are the shore

And it goes on and on, who's watching the river run  
Further and further from things that we've done  
Leaving them one by one  
And we have just begun watching the river run  
Listening and learning and yearning to run, river, run

Winding and swirling and dancing along  
Let's pass by the old willow tree  
Where lovers caress as we sing of our song  
Twisting together when we greet the sea.

And it goes on and on, who's watching the river run  
Further and further from things that we've done  
Leaving them one by one  
And we have just begun watching the river run  
Listening and learning and yearning, run, river, run

And it goes on and on, who's watching the river run  
Further and further from things that we've done  
Leaving them one by one  
And we have just begun watching the river run  
Listening and learning and yearning, run, river, run
