Cause you don't love me
Is awful, awful hard.
Gypsy done showed me
My bad luck card.

There ain't no good left
In this world for me.
Gypsy done tole me -
Unlucky as can be.

I don't know what
Po' weary me can do.
Gypsy says I'd kill my self
If I was you.

Like "Morning After", Kenny plays acoustic guitar and harmonica on this short (2 minutes) song.

Cause you don't love me, oh it's awful hard
Cause you don't love me, yes it's awful hard
I say gypsy done showed me, showed me my bad luck
card

Now there ain't no good left, in this world for me
Now there ain't no good left, in this world for me
Gypsy done tole me, how unlucky I can be

I don't know, what poor worried me can do
I don't know, what poor worried me can do
Gypsy say I'd kill myself, oh if I was you
