Dreams

babe

are made of emotion

shadows and dark deep devotion.

Stay here

my heart is on fire

oh

I'm born again

My heart is in your hands

my heart is burning

turning

over and over

my friend.

Are you man enough

but baby

are you really tough

To take my heart away

my love?

Don't look back

here I am

just for you.

Are you man enough

oh baby

are you really tough?

If you light the flame of love

on the wings of my love we will fly.

Love me like there's no tomorrow

give up the fears and the sorrows.

Passion of love stays forever

didn't I tell you that I need you so?

My heart is burning

turning

over and over again.

Are you man enough

but baby
are you really tough . . .

Keep the fire burning in your soul

oh
my heart is losing its control

What I got is what you need tonight.
Are you man enough
but baby
are you really tough
To take my heart away
my love?
Don't look back
here I am
just for you.
Are you man enough?
