It's been a blue blue day I feel like running away I feel
like running away from it all
My love has been untrue she's found somebody new
it's been a blue blue day for me
I feel like crying dying what can I do I feel like praying
saying I'm glad we're through
It's been a blue blue day I feel like running away
I feel like running away from the blues
[steel - harmonica]
How can I make believe that I don't sit and grieve it's
been a blue blue day for me
I can't pretend and say that I don't love her anyway it's
been a blue blue day for me
I feel like crying dying...

I feel like running away from the blues
