Flyin' cross the desert in a TWA I saw a woman walkin'  
cross the sand  
She'd been a walkin' thirty miles on route to LA  
To get a brown eyed handsome man  
Her destination was a brown eyed handsome man  
Milo de Venus was a beautiful lass she had the world in  
the palm of her hand  
She lost both her arms in a wrestlin' match  
To meet a brown eyed handsome man  
She fought and won herself a brown eyed handsome  
man  
Way back in hist'ry three thousand years in fact ever  
since the world began  
There's been a whole lot of women who sheddin' tears  
For a brown eyed handsome man  
It was the trouble was a brown eyed handsome man  
[ guitar ]  
Beautiful daughter couldn't make up her mind between  
a doctor and a lawyer man  
  
Her mama told her daughter darlin' go out and find  
Yourself a brown eyed handsome man  
Just like your daddy was a brown eyed handsome man  
Arrested on charges of unemployment sittin' in the  
witness stand  
The Judge's wife called up the district attorney said  
free that brown eyed man  
If you want your job you better free that brown eyed  
man  
Way back in hist'ry three thousand years...
