I've been so alone all my life  
I couldn't give my heart to anyone  
Hiding in myself was a man  
Who needed to be held like everyone

The days moved into years  
I look for warmth between the tears  
It never ever found me  
Never ever found me  
Yes, I did seem to grasp at straws  
They surely broke all the time

So I hid inside  
(Till) I almost died  
Yes I hid inside and I cried  
A loving heart in a sensitive man  
Hiding inside myself

Then you came out of nowhere  
I could not believe my heart  
I didn't know how to tell you  
Didn't know where to start  
I know you understand

When I hid inside  
I almost died  
Oh, I hid inside and I cried  
A loving heart in a sensitive man  
I know you'll understand

(Instrumental)

I love you...
