"If Not For Jenniffer"

Outside my window I see there's the world full of men
They're tall and strong and living like I might have been
But I met a woman and she took the life out of me
If not for Jenniffer think of the things I might be
I see two lovers pass by in a world of their own
I could have others but Jenniffer keeps me alone
They walk on by me and tears make my vision grow
dim
If not for Jenniffer I could be happy like them
I search my mem'ry to see if I loved her in vain
I'd found the heartaches and worries the teardrops and
pain

Then I saw Jenniffer smile and then she was gone
If not for Jenniffer smile I just couldn't go on
