If I could see you just one time oh how it'd ease my  
troubled mind  
If I could hold you just one time and then pretend that  
you're still mine  
Oh oh oh how I miss you so oh oh I need you so  
I I'd give this heart of mine if I could see you just one  
time

Lips that used to thrill me so they now thrill someone  
else I know  
Gone is the love that once was mine I wish I could see  
you just one time  
Oh oh oh how I miss you so...  
[ guitar ]  
Wish I could relive just one time turn back the pages  
and there I'd find

That same old love that once was mine I wish I could  
see you just one time  
Oh oh oh how I miss you so...
