Ruby oh Ruby honey are you mad at your man
I've done all I can do tryin' to get along with you and
still you're not satisfied
Ruby oh Ruby honey are you mad at your man
I'm a sittin' in the shade with a shovel and a spade
I'm diggin' in the ground's cold mine
Ruby oh Ruby honey are you mad at your man
[guitar]
If you don't believe I'm right then call on me tonight
And I'll take you to your shady so cold
Ruby oh Ruby honey are you mad at your man
Honey are you mad at your man Ruby ei ei ei
