She Moves
And Eyes Follow
Longing To Touch
They Want Her So Much
They Stare

She Speaks
And All Listen
They So Want To Hear
She Draws Them All Near
They Care
They Care

She Laughs
Laughter Follows
Like Ripples Follow A Stone
In Pools Of Fallen Rain

She Goes

And Lights Follow
Those Who Have Stayed
See The Moon Fade
And Go Bare

How Long Must I Wait
With Heart How Long
When Wherever She Moves
My Eyes Follow
Her There

How Long Must I Wait
With A Heart How Long
When Wherever She Moves
My Eyes Follow
Her There
