Here's the sunshine man
Here's the sunshine man
Here's the sunshine man

I'm the sunshine man
You've got a problem, I've got a plan
When you need a helping hand
Call on the sunshine man

My job is making people happy
And I work real hard at my trade
I got the whole world for my workshop
No time for sittin' in the shade

I'm the sunshine man

I'll put the happy back in your laughter
Repair the twinkle in your eyes
You'll find that I give real good service
And all I charge is a smile

I'm the sunshine man

If you'll follow my philosophy
Put your worries and troubles down
It won't take any more effort to smile
Than it does to frown

I'm the sunshine man
Listen to me now
I'm the sunshine man

Yeah, call on sunshine man now
I'm becomin' call on sunshine man
Here I am call on sunshine man
I'll make you laugh, call on sunshine man
