Wasting my time again  
Asking you to stop seeing him  
I've told you goodbye for the last time  
But I'm wasting my time again

This thing that you're doing's a sin  
How could you leave me for him?  
Somehow I wished we've been nothing but friends  
There I go wasting my time again

But time means nothing to me when I'm lonely  
It takes time to heal when you've lost your one and only  
Wasting my time, what's new  
The story of my life with you

I could talk till I'm blue in the face  
But then I'll just be wasting my time again  
My time again, my time again
