Hopped a freight train out of Nashville, rode it up to
Ohio
From my way on to Detroit, stayed there for a month or
so
Caught a ride into Chicago with a truck drivin' man
Stayed there for the summer singin' with a country
band

And every time I hear a freight train's lonesome whistle
blow
I think about the good girl I got a waitin' for me at home

Yonder comes a freight train movin' on down the line
Yonder comes a freight train, listen to that engine
whine
I'm gittin' on that old train and goin' back to that good,
good girl of mine
Freight train

Hopped a freight out of Chicago, thought that it was
southern bound
Ended up in New York City where they travel
underground
Stole a ride on a fruit truck, went through Charlotte to
LA
I gotta ride back to Atlanta, like those towns but
couldn't stay

Rode with a couple to Chattanooga, goin' to see Ruby
Falls
Hundred and thirty eight miles from Nashville, I'll get
home if I'll have to crawl

Yonder comes a freight train movin' on down the line
Yonder comes a freight train, listen to that engine
whine
I'm gittin' on that old train and goin' back to that good,
good girl of mine
Freight train

Yonder comes a freight train movin' on down the line
Yonder comes a freight train, listen to that engine

whine
I'm gittin' on that old train and goin' back to that good,
good girl of mine
Freight train
