tonight I'm going to spend Christmas with you on
Christmas Eve. Because tonight's Christmas Eve. It's
such a special day It's to fun to spend time with your
family - because it is so fun. It is funner than a bug. It's
funner than everything in the world cause
tonight...tonight is Christmas Eve. It's so exciting, I just
can't wait. It's so so exciting Santa will be coming down
the chimney. It's gonna be so fun - somebody is going
to see if they can see a reindeer. It's gonna be so fun
that Rudolf is going to dance to the beat and all the
other reindeer are going to dance to the beat. Cause
Santa is going to be on his way to give all the presents
that you like and he's gonna take some stuff off your
list...if you've been naughty he'll put coal in your
stocking and he'll say "Next year you better be good".
Cause Santa Clause and Dasher and Dancer are gonna
dance to the beat because Dasher he knows that Rudolf
is going to have fun and all the other reindeer know
that children are gonna want to have fun cause it is so
soooooooooooooo fun!! It's fun boy than anything I just
wish it came every day cause everyone is gonna have
fun they are gonna say "Can we wake up now?" Cause
they're gonna want to...gonna want to OPEN THEIR
PRESENTS NOW!!
