You'd be so nice to come home to
You'd be so nice by my fire
While the breeze on high, sang a lullaby
You'd be all that I could desire

Under stars chilled by the winter
Under an August moon burning above
You'd be so nice, you'd be paradise
To come home to and love, and love, so nice

You'd be so nice to come home to
You'd be so nice by my fire
While the breeze on high, sang a lullaby
You'd be all that I could desire

Under stars chilled by the winter
Under an August moon burning above
You'd be so nice, you'd be paradise
To come home to and love
To come home to and love
You'd be so nice to come home to
