It was an April night and I was driving  
Went out on the town  
The show was at the palace  
So we all went on down

We all had a bomb as I recall  
But now it seems absurd  
As the madness raged upon the stage  
He didn't say a word

He was a little weak and we all fear  
It wasn't one of us  
He didn't drink, he didn't smoke  
And he didn't [Incomprehensible]

You'd see him now and then  
With a bunch of men hanging around the sea  
And I'm sure I would have liked him more  
If he were a little more like me

It was a spring each day  
The clouds were gray  
Looked like in my dream  
Thought about the night before  
And I was so ashamed

When I heard what they had done to him  
Stranger I had known  
But as drunk as we all got last night  
It's a wonder we got home

He was a little weak and we all fear  
It wasn't one of us  
He didn't drink, he didn't smoke  
And he didn't [Incomprehensible]

You'd see him now and then  
With a bunch of men hanging around the sea  
And I'm sure I would have liked him more  
If he were a little more like me

And I'm sure I would have liked him more

If he were a little more like me
