When you made love to me tonight
I felt as if I'd died and gone to heaven
And if that's how it feels to die
Then lay me in your arms, I'm through with livin'

I'll get down on my knees
And thank the good Lord up above
That I'm the lucky girl you chose to love

And I feel sorry for anyone who isn't me tonight
So if you think I'm braggin' well, you're right
Your love has sent me flyin' and I'm higher than a kite
And I feel sorry for anyone that isn't me tonight

You got the kind of body
That was made to give a man a lot of pleasure
But what you're giving me tonight
Is more than anything on earth can measure

Every inch of you that's woman
Makes me that much more a man
I've just about enjoyed all I can stand

I feel sorry for anyone who isn't me tonight
So if you think I'm braggin' well, you're right
Your love has sent me flyin' and I'm higher than a kite
And I feel sorry for anyone who isn't me tonight

And I feel sorry for anyone who isn't me tonight
So if you think I'm braggin' well, you're right
Your love has sent me flyin' and I'm higher than a kite
And I feel sorry for anyone who isn't me tonight
