Baby, I'm a-want you
Baby, I'm a-need you
You're the only one I care enough
To hurt about

Maybe, I'm crazy
But I just can't live without

Your loving and affection
Givin' me direction
Like a guidin' light to help me through
The darkest hour

Lately I'm a prayin'
That you'll always be a stayin'
Beside me

Used to be my life was just emotions passing by
Feeling all the while and never really knowing why

Lately I'm a prayin'
That you'll always be a stayin' here
Beside me

Then you came along
And made me laugh and made me cry
You taught me why

Baby, IÃ¢â€™ m-a want you
Baby, I need you
Ohh, it so long for me to find you, girl
Baby, I want you
IÃ¢â€™ m so glad you find me

And know (Incomprehensible) nobody else but you
Oh, I want you
Know that I can never find nobody near you
And I need you, I want you

Baby, I want you, I need you
Need you, want you, want you
Need you, ohh, I need you, girl

I want you, I need you

And know that I can never find nobody take your place

I want you and I need you

I need you too, ohh, oh, oh, oh
