When the morning sun
Streaks across my room
And I've waken up
>From another dream of you
Yes I'm on the road
Once again it seems
All I've left behind
Is a chain of broken dreams

REFRAIN

But you know I love you
Yes I love you
Oh I love you

How I wish that love
were all we'd need live
What a life we'd have
Cause I've got so much to give
And it seems so wrong
Deep inside my heart
That the dollar sign
Should be keeping us apart

REFRAIN

And if I could only find my way back to the time
When the problems of this life of mine didn't cross our
minds
All the answers were found in children's nursery
rhymes
I'd come running back to you
I'd come running back to you
And you know we can't
Live on dreams alone
Just to pay the rent
I must leave you all alone
But you know I made my choice
Many years ago
Now this traveling life
Is the only one I know

REFRAIN (four times)

REFRAIN (three times while fading)
