Ain't funny how time steals the feeling from a love affair?

And there's no place to lay the blame

'Cause in any case of no one cares

Helplessly we just watch it fade away

Neither will admit it but we are both aching to say

We, you

I miss the days when we were crazy in love

When you weren't so sure of me

I had my little jealousy

We, you

Bring back the days when we were crazy in love

I wanna feel that way again

Remember when we were crazy in love

I know it used to be so easy, one touch and I was high

And I could get intoxicated just by looking in your eyes

Oh, baby ain't there anything we can do?

'Cause I know you're missing me as much as I've been missing you

We, you

I miss the days when we were crazy in love

When you weren't so sure of me

I had my little jealousy

We, you

Bring back the days when we were crazy in love

I wanna feel that way again

Remember when we were crazy in love

Girl, we were more than best of friends

We were crazy in love

We, you

We were crazy in love

Do you remember how crazy we were?
