Kenny Rogers & Kim Carnes

Just look at you sitting there  
Never looked better than tonight  
And it'd be so easy to tell you I'd stay  
Like I've done so many times.

I was so sure this would be the night  
You'd close the door and wanna stay with me  
And it'd be so easy to tell you I'd stay  
Like I've done so many times.

Don't fall in love with a dreamer  
'Cause he'll always take you in  
Just when you think you've really change him  
He'll leave you again  
Don't you fall in love with a dreamer  
'Cause he'll break you every time  
Put out the light and just hold on  
Before we say goodbye.

Now it's morning and the phone rings  
And you say you've gotta get your things together  
You just gotta leave before you change your mind  
And if you knew what I was thinking girl  
I'd turn around if you'd just ask me one more time.

Don't fall in love with a dreamer  
'Cause he'll always take you in  
Just when you think you've really change him  
He'll leave you again  
Don't you fall in love with a dreamer  
'Cause he'll break you every time  
Put out the light and just hold on  
Before we say goodbye...
