My Love

There's only you in my life  
The only thing that's right

My first love

You're every breath that I take  
You're every step I make

And I

I want to share  
All my love with you  
No one else will do

And your eyes

They tell me how much you care  
Oh yes, you will always be  
My endless love

Two hearts

Two hearts that beat as one  
Our lives have just begun

Forever

I'll hold you close in my arms  
I can't resist your charms

Oh, love

I'll be the fool  
For you I'm sure  
And you know I don't mind

'Cause you

You mean the world to me  
I know I found in you  
My endless love

And love

I'll be the fool  
For you I'm sure  
And you know I don't mind

And yes

You'll be the only one  
'Cause no one can deny  
This love I have inside  
And I'll give it all to you  
My love
