Don't look so sad, I know it's over  
But life goes on  
And this old world just keeps on turning

Let's just be glad, we had this time  
To spend together  
There's no need to watch the bridges  
That were burning.

Lay your head on my pillow  
Hold your warm and tender body next to mine  
Hear the whisper of the raindrops  
Beating soft against the window  
And make believe you love me one more time  
For the good times.

I get along you'll find another  
And I'll be here if you should find  
You ever need me.

Don't say a word  
About tomorrow or forever  
There'll be time enough  
For sadness when you leave.

Lay your head on my pillow
