For you alone, I'd conquer the world
I'd do almost anything for you alone
For you alone, I'd give everything
I'd say the sweetest things for you alone
(For you alone)

The things I could do, I've been thinking of
That I should have done alone
Yet all these things I've been thinking of
Are no good to do alone

For you alone, woah, I'd write a song
Using these words of love for you alone
(For you alone)

The things I could do, I've been thinking of
That I should have done alone
Yet all these things I've been thinking of
Are no good to do alone

For you alone, woah, I'd write a song
Using these words of love for you alone
(For you alone)
