(John B. Jarvis)

Dawn is slowly breaking
Our friends have all gone home
You and I are waiting
For Santa Claus to come.

There's a present by the tree
Stockings on the wall
Knowing you're in love with me
Is the greatest gift of all.

The fire is slowly fading
Chill is in the air
All the gifts are waiting
For children everywhere.

Through the window I can see
Snow begin to fall
Knowing you're in love with me
Is the greatest gift of all.

Just before I go to sleep
I hear a church bell ring
Merry Christmas everyone
Is the song it sings.

So I pray a silent prayer
For creatures great and small
Peace on earth, good will to men
Is the greatest gift of all.

Peace on earth, good will to men
Is the greatest gift of all...
