When temptin' eyes 'cross the room
Said to me I'd love to be with you
I'm not tempted for a moment
I just think about my woman

My baby calls me on the phone
Telling me I need to hurry home
Well the hurryin' is easy 'cause she's waiting up
With all the love I'm needin'

I prefer the moonlight and a blanket
And the one right little lady by my side, that's what I
like
I prefer a late drive down the turnpike with the
moonlight shinin' so bright
Got her by my side that's what I'd like
When its magic moment time
I prefer the moonlight, I prefer the moonlight

The river plays a quiet song
She and I lay down and play along
She's her mother's lovely daughter
Moonlight dances on the water

The moon is full and so am I
I look at her and feel like I could cry
But my tears contain no sorrow
'Cause I know she'll wake up by my side tomorrow

I prefer the moonlight and a blanket
And the one right little lady by my side, that's what I
like
I prefer a late drive down the turnpike with the
moonlight shinin' so bright
Got her by my side that's what I like

Mornin' noon and night, when the feelin' comes around
Somewhere in some sky that ol' moon is surely shinin'
bright

I prefer the moonlight and a blanket
And the one right little lady by my side, oh that's what I

like

I prefer a late drive down the turnpike with the
moonlight shinin' so bright

Got her by my side that's what I like

When its magic moment time

I prefer the moonlight, I prefer the moonlight

I prefer the moonlight, I prefer the moonlight

I prefer the moonlight, I prefer the moonlight

Moonlight, moonlight, moonlight

Moonlight, moonlight, moonlight

I prefer the moonlight, I prefer the moonlight

I prefer the moonlight, I prefer the moonlight

I prefer the moonlight, I prefer the moonlight

I prefer the moonlight, I prefer the moonlight

I prefer the moonlight, I prefer the moonlight
