If I should stay
Oh, I would only be in your way
And so I'll go and yet I know
That I'll think of you each step of my way

And I will always love you
I will always love you

Bittersweet memories
That's all I have, and all I'm taking with me
Goodbye, oh please don't you cry
'Cause we both know that I'm not what you need

But I will always love you
Ooh, I will always love you

And I hope life what treats you kind
And I hope that you have all that you've ever dreamed
All I do wish you joy, and I wish you happiness
But above all this, I wish you love
I love you, I will always love you

I, I, I will always, always love you
I will always love you
Ooh, I will always love you
I will always love you
