I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

I'm so tired  
I can't sleep  
Standin' on the edge of something  
Much too deep

It's funny how we feel so much  
Cannot say a word  
We're screamin' inside  
But we can't be heard

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

So afraid to love you  
More afraid to lose  
Clingin' to a past  
That doesn't let me choose

Well, once there was a darkness  
A deep and endless night  
You gave me everything  
You gave me life

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

Remember all the good times  
That we had  
Let them slip away from us  
When things got bad

How clearly I first saw you  
Smilin' in the sun

I wanna feel your warmth around me  
I wanna be the one

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

I will remember you  
(I will remember you)  
Will you remember me?  
(Will you remember me?)  
Don't let your life pass you by  
(Don't let your life)  
Weep not for the memories  
(Weep not)

Weep not  
Weep not  
Weep not for the memories

Weep not for the memories  
Weep not for the memories  
Weep not for the memories
