I'm going to sing you a sad song, Suzy
I'm going to sing you a sad song, girl
I'm going to sing you a sad song, Suzy
I'm going to sing a love song, all about you and me,
girl

Oh girl, you know you lied to me
You said you love me more than anything
And only time I was just a fool, I'm another fool
In your game

I'm going to sing you a sad song, Suzy
I'm going to sing you a sad song, girl
I'm going to sing you a sad song, Suzy
I'm want to sing a love song, all about me and you, girl

Oh girl, you still don't know what love's all about
To you it's just another game for two
I may be hurt now but in the end, oh, in the end
Girl, you knew

I'm going to sing you a sad song, Suzy
Oh, I'm going to sing you a sad song, girl
I'm going to sing you a sad song, Suzy
I'm going to sing you a sad song, girl

Oh, oh, sing you a sad song, Suzy
I'm going to sing you
