Woman you're the closest thing
I know to peace on earth
Your warm through what feels cold in me
And healing to what hurts

Woman can you tell me why
I'm driven as I am
Is there something that I have
That makes you give a damn

Be my comfort when the world
Waves me to the ground
Take me when I've lost my way
Let me know I'm found

Be a blanket to my soul
Wrap it all around
Be a feather babe to me
And lay my body down

Touch me with your finger tips
Give my burdens rest
Tell me not to worry so
I know that you know best

Lady take my candle stance
And hold them in your arm
Lie against me in the dark
And show me I've come home

Be my comfort when the world
Waves me to the ground
Show me when I've lost my way
Let me know I'm found

Be a blanket to my soul
Wrap it all around
Be a feather babe to me
And lay my body down
Be a feather babe to me
And lay my body down
