Didn't I make all your dreams come true
Didn't they work the way you wanted it too
Didn't I do what I promised to you
I understand it's just love, love
So don't give upon love, love, love
Don't give upon love.

Losing you is so hard for me
'cause loving you came so easily
but we see things so differently
I understand it's just love ÆfÂçâ, ¬Ã,Â¡.

I'll do what I can to carry on
'cause I've loved you before
I can not love you more
It's just love, love, love ..
